

DWN No.:	C-101279
----------	----------

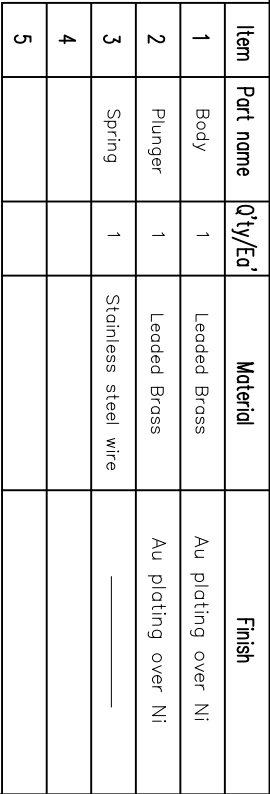

Table 1 Mechanical performance		
Working height	11.40mm	90±25gf <2.1>
Durability	10000cycle	

2 Mechanical performance(See the table 1)
 <2. The force is the average of forces obtained when plunger goes downwards and upwards.

Resistance: 50mOhm Max. Current rating: 2.0A

4 RoHS compliant.
